

# Who We Are

Progressive Scrap Metals is a metal recycling company that is open to the public for your recycling needs. We welcome walk-ins and industrial accounts at our yards. We provide brokerage and trading services for ferrous and non-ferrous metals, cardboard and plastics. We have the capacity to buy scrap metal from customers at wholesale price such as: aluminums, brass, cast iron, coppers, HMS, ICWs, stainless steels, and additional metals. Also, We like to encourage everyone to recycle for the benefit of our environment while being compensated in the process.
